

Public Hearing: November 24, 2003

F A C T S H E E T

TITLE:

State Project No. IM-BH-180-9(519)
Mill/Overlay at 11th and Cornhusker

SPONSOR: Public Works

Department/Engineering Services

OPPONENTS: Unknown

OTHER DEPARTMENTS AFFECTED:

None

STAFF RECOMMENDATION:

Recommend approval.

APPLICANT: Public Works and Utilities

REASON FOR LEGISLATION: To provide the authority to approve an agreement with the Nebraska Department of Roads for **Project No. IM-BH-180-9(519) Mill/Overlay at 11th and Cornhusker Highway** for them to extend the work on the above referenced contract to include the intersection, so that traffic interruptions could be minimized.

D I S C U S S I O N

The surface condition of the pavement in the 11th and Cornhusker Highway intersection has been very uneven with substantial amounts of rutting and shoving in the driving lanes. The surface was uneven enough that ride-ability and safety were becoming a major problem before the work over I-180 began. By using the state's current contractor to complete the work, with an appropriate change order, we were able to facilitate and shorten the period of traffic disruption and complete the work this year. The City currently shares the responsibility with Nebraska Department of Roads for this section of Cornhusker Highway and therefore our share of the additional work will be \$56,582.35.

POLICY OR PROGRAM CHANGE: No

COST OF TOTAL PROJECT: \$56,582.35

SOURCE OF FUNDS:

CITY: \$56,582.35

NON CITY: Nebraska Department of Roads \$56,582.35

BENEFIT COST:
